

# LA MILLIERE WORKSHOPS

# Guided tour

INCLUDED IN ALL FORMULAS

Included with every event booked at La Millière, the guided tour is an unmissable part of your experience.

**Tom Arthus-Bertrand**, the Association's Director, will guide you through the **Jardin des Partages** and explain the Reserve's rewilding project.

Throughout the visit, Tom will share stories about **local biodiversity** and about this educational garden, designed with **nature-friendly farming practices** in mind.

Duration : 1h

Language : French or English

Availability : Year-round

# Practical workshop at the Garden

LA MILLIÈRE

In the educational, aesthetic and productive garden, you can join the team in their daily tasks through **hands-on workshops** that **evolve with the rhythm of the seasons**.

Some examples of possible workshops include : planting, harvesting fruits and vegetables, chopping and drying herbal teas, bouquet making, pruning trees, packaging, weeding, and more.

Duration : Between 1h and 1h30

Language : French or English

Availability : Year-round

Cost :

- Off-peak season : 60 € HT / person
- Peak season : 70 € HT / person

# Valley's Ecosystems

LA MILLIÈRE

Throughout this interactive workshop led by Tom Arthus-Bertrand, you will actively participate in building the **complex, fragile, and biodiversity-rich ecosystem** of the Millière Valley, using a giant magnetic puzzle.

Duration: Between 1h and 3h, depending on the desired level of detail

Language: French

Availability: Year-round (indoor and/or outdoor)

Cost :

- workshop between 1h and 1h30 :
  - 60 € HT / person (off-peak season)
